EPISCOPAL SCHOOL

## 2020-2021 FIELD TRIP RELEASE

In connection with St. John's Episcopal School's educational program, various field trips, excursions, and off-location visits are planned for the students throughout the school year. Students will travel by private vehicles (including buses), school activity buses, Metro, and/or walk. Students will be adequately supervised at all times. The school requires that the parents/guardians give written authorization to the effect that their child/ren is/are permitted to attend such trips and that in accordance with current and state federal law, they are willing to release and hold harmless St. John's Episcopal School and St. John's Episcopal Church, their officers and employees, and the drivers of private vehicles (including the school activity buses) from any and all liability, loss, damages, claims, or actions for accident or bodily injury of any kind. By signing this release, it is understood that parents hereby give blanket permission and release of responsibility for as long as their child/ren is/are enrolled in St. John's Episcopal School. Of course, should the parents desire that a child not attend such trips/activities, it is required that a written note, to that effect, be hand delivered by the parents/guardians to the child's homeroom teacher or to the school office prior to the day of the particular activity. All field trips will be announced in advance to allow parents to plan accordingly.
