

Summer Assignment - Freckle Juice by *Judy Blume*

What's a guy gotta do to get some freckles? This perennial bestselling favorite from Judy Blume has a fresh new look! More than anything in the world, Andrew Marcus wants freckles. His classmate Nicky has freckles—they cover his face, his ears, and the whole back of his neck. But when Andrew asks Nicky where he got them, Nicky just says he was born with them. Some help *he* is!

Dear Parents & Students,

Please print out the Freckle Juice PDF packet for the summer reading assignment. All students are required to have read and finished their packet when they return on day one in September, 2020. We will be having a Freckle Juice party, so make sure the very last pages are completed ***and constructed***. I can't wait to see all the yummy recipe cards for making our very own Freckle Juice! Have a great summer and enjoy reading by the pool or lazing around in the backyard. Make sure you get outside, get fresh air, read under a tree, or wherever you find a nice shady spot to cozy up! Happy Reading!

Best,
Mrs. Myers
