## Chromebook Fees

Date: \_\_\_\_\_

The one-to-one Chromebook program at St. John's Episcopal School is one that we are proud of. All students, fourth through eighth grades, purchase their own Chromebook device which has become a necessary school material. There are certain hidden fees that the school must collect from families to cover the cost of properly provisioning each student's Chromebook under our STJES domain.

### **Initial set-up that covers Hapara and Google License**

*\*\* ALL students entering 4th grade or who are new to 5th-8th, pay a 1-time fee upon initial setup of their first Chromebook. \*\**

### **Hapara & Google device fee rates for 2020-2021:**

- \_\_\_\_\_ Grade 4 (75.00) & (38.00)
- \_\_\_\_\_ New student 5 (71.00) & (38.00)
- \_\_\_\_\_ New student 6 (67.00) & (38.00)
- \_\_\_\_\_ New student 7 (63.00) & (38.00)
- \_\_\_\_\_ New student 8 (59.00) & (38.00)

### **\$38.00 fee for enrolling a replacement Chromebook under our STJES domain (new Google License)**

*\*\* Each time a student (grades 4-8) needs to replace OR buy a new Chromebook due to damage, accidents, etc... each device will need a new Google License attached to it. Google Licenses are device specific, and at this time, cannot be transferred to another device. \*\**

**Your payment will be automatically processed through FACTS or your Preferred Method of Payment on File in September. (credit card or ACH)**
