

## Second Grade Summer Reading Challenge

Dear Families,

Children who read throughout the summer gain skills, can start the new school year with a better understanding of language and the world around them, and discover the JOY of reading. The more they like to read, the more they will read.

Reading every day, even if it's for just a few minutes, improves children's ability to read and learn all year long.

For your summer reading activities, students complete these 2 activities:

1. Attached is a *Summer Reading Challenge*:

Students should read a book and color in the Challenges; they should record the name of the book and the author on the back of the Challenge sheet.

2. Students should pick their 3 favorite books and take pictures of themselves reading their books in their favorite place.

Here are some resources for books:

Students will bring their *Challenge* page and 3 picture(s) to share with their teacher during the first week of school. Have a great summer and enjoy reading!
