THE BIRTHDAY BOOK PROGRAM

The Birthday Book Program at St. John's is a great way to add needed new books to our library while also making those new books special to the child whose birthday is being honored.

If you are interested in donating a book to the library in honor of your child's birthday, please fill out this form and return it to school. Then, on or before the birthday, your child will be invited to the library office to choose a book from the Birthday Book Cart. After your child has chosen a book, a birthday plate will be placed in the front of it and your child will be the first to check out that book. After he or she has taken it home, shared it with the family and read it, the book is to be returned to school and added to the school's collection. If you would like to honor a grandparent, an anniversary or start a family tradition, the program works in the same way. Each book donation costs \$20.00. Please send in a check, cash, or indicate "payment method on file" with the completed form and we will take care of everything else.

It is never too late to decide to join the Birthday Book Program. Books can be given to celebrate birthdays already passed, or birthdays that occur in the summer. Please feel free to contact Mrs. Dry at destiny.dry@stjes.com

We hope that all of our school families will decide to participate in this program. It is a special way to say *Happy Birthday!*

Thank you for supporting St. John's Library!

DONOR Name (as it should appear on birthday plate)			Telephone Number
CHILD'S Name	Date of Birth MM/DD/YY	Birthday Honored (e.g. 10th)	Grade and Teacher
Other special event being honored:			
Number of books to be donated:			X \$20.00 = (Total)
